

Les Paul Modern Studio, Wine Red Satin

For years, the Les Paul™ Studio has been the choice of countless guitarists who appreciate the combination of an Ultra Modern weight-relieved mahogany body and maple cap paired with simplified cosmetic appointments. This cherished model has now been refined as the Les Paul Modern Studio. It incorporates improvements and enhanced features, many taken directly from the Les Paul Modern, including a bound ebony fretboard with a compound radius for improved action and playability, a Modern Contoured Heel for exceptional upper-fret access, black nickel hardware, and in addition to coil tapping, additional switching for control over phase and pure bypass. A soft shell case is included with this no-nonsense, high-performance tone machine.
